---

## EDUCATION

Bachelor of Science in Uncrewed Aircraft Systems  
Embry-Riddle Aeronautical University, Daytona Beach, FL  
Minor in Geographical Information Systems

April 2028

---

## RELEVANT COURSEWORK

Remote Pilot Operations	Geographic Information Systems (GIS)
Mapping Apps and Data Collections	UAS Systems Architecture and Integration

---

## PROFESSIONAL EXPERIENCE

### Drone Videographer

June 2025 – July 2025

- Piloted a DJI Mini 3 drone to capture stabilized aerial footage.
- Applied knowledge of airspace classifications, line-of-sight requirements, and safety protocols to ensure regulatory compliance.
- Managed video files, file organization, and editing in Davinci Resolve for final product.
- Performed pre-flight checks, battery management, and troubleshooting equipment to keep operational reliability.

### Mods Pizza All Star

February 2023 – May 2024

- Held a leadership role at Mod's Super-Fast Pizza, a fast-casual restaurant.
  - Onboard and trained potential employees on how to become a team member, ensuring they acquired the necessary job skills.
  - Selected for promotion to "Captain", a senior team leadership role, but the position was unavailable due to an unforeseen store closure.
- 

## PROJECTS/EXPERIENCE

### ISRP Hardware Team Lead

December 2024 – Present

- Helped manage the Hardware Section of Avionics with a Team Head
- Oversee multiple custom PCB projects at once while keeping projects on track.
- Personally designed a custom pyro PCB board from scratch.

### High School Robotics President

September 2022 – June 2024

- Led the Robotics Club, collaborating with two other students.
  - Managed overall club operations, including preparing for competitions, managing the budget, and organizing weekly meetings.
  - Engaged and motivated students to foster enthusiasm for robotics.
- 

## CERTIFICATIONS

FAA Part 107 – Remote Pilot Certification

December 2024 – December 2026

---
