EDUCATION AND TRAINING

18/09/2022 – CURRENT Ankara, Türkiye

Mechatronics Engineer Atılım University

Address Kızılcaşar Mahallesi, 1184. Cad No:13, İncek, Gölbaşı - Ankara - Türkiye,
06830, Ankara, Türkiye | Website <https://www.atilim.edu.tr/>

19/08/2024 – 17/09/2024 Mersin, Türkiye

Internship in Manufacturing Çimsa Çimento Sanayi ve Ticaret A.Ş.

Website <https://www.cimsatas.com/tr/> | Level in EQF EQF level 5

LANGUAGE SKILLS

MOTHER TONGUE(S): Turkish

Other language(s):

English

Listening C1

Reading C1

Writing C1

Spoken production C1

Spoken interaction C1

DIGITAL SKILLS

Solid Works, SolidCAM, Catia | Java | Python | Linux | C++ | Reverse Engineering
NX Siemens

HOBBIES AND INTERESTS

Aspiring Mechatronics Engineer with a Passion for Innovation

- Exploring robotics, automation, and innovative manufacturing technologies.
- Passionate about music production, particularly guitar tones and audio engineering.
- Enthusiastic follower of Formula 1, with a keen interest in engineering excellence.
- Interested in advanced manufacturing processes and precision engineering.

ABOUT ME

I am Muhammed Ali Eker, a Mechatronics Engineering student at Atılım University in Ankara, with a strong passion for designing and implementing innovative solutions. My academic background and hands-on experience in mechanical, electrical, and software systems have equipped me with a solid understanding of automation and robotics. I am motivated to apply my problem-solving skills and technical expertise to real-world engineering challenges. With a proactive mindset and a dedication to continuous learning, I strive to contribute to cutting-edge technology projects while growing as a professional.
