

Camryn August

(603)-307-4322 · Hopkinton MA · craugust2018@gmail.com

Education

Purdue University; *West Lafayette, IN*

August 2024

Aerospace Engineering

Expected Year of Graduation 2028

John Martinson Honors College, Deans List and Semester Honors

GPA: 3.5

Hopkinton High School; *Hopkinton, MA*

August 2020-May 2024

Achievements: National Honor Society, Honor Roll, Tri-M Honors Society

GPA: 4.7

Seal of Biliteracy Spanish Language

Relevant Coursework

Honors Engineering 16X00: Hands-on engineering experience solving real-world problems

MFET 16300: Experience working with Siemens NX and Product Data Management System

AAE 251: design conceptual aircraft using real-world constraints using MATLAB

Extra-Curricular Involvement

Purdue Orbital

September 2024-Present

- **Mixing and Casting Sub-Team Responsible Engineer**

- Leading a sub-team to cast solid rocket propellant at Zucrow Laboratories
- Research ways to improve safety and efficiency of mixing and casting process
- Ensure compliance with safety protocols for all members
