W.K Ahmed Zisan

Electrical Technology | Power Systems & Safety | PLC & Automation
Enthusiast | Digital Content Strategist | Seeking Industrial Internship
DM ahmedzisan@eee.engr.bd

Gazipur District, Dhaka, Bangladesh

Summary

Hi, I'm Zisan — a Diploma Engineer combining technical precision with leadership skills. I bridge the gap between heavy electrical machinery and modern digital strategy.

How I Can Add Value:

My approach blends Engineering Discipline + Team Leadership + Creative Execution to deliver results:

Electrical Safety: Skilled in troubleshooting, maintenance, and ensuring EISB protocols (Dynamic Engineering experience).

Team Leadership: Proven ability to lead sales teams and manage operations under pressure (Ex-Team Lead, Manarah).

Organizing Capability: Experienced in managing logistics for high-profile government cultural events.

Key Skills:

Troubleshooting & Maintenance

Office Applications & Documentation

Public Speaking & Event Event Management

Let's Connect:

Open to Internship or Entry-level roles in Engineering or Tech.

DM me for opportunities.

Experience

Cryptogram BD (Personal Project)

Founder & Digital Content Strategist

December 2024 - December 2025 (1 year 1 month)

Founded and administered a digital platform focused on Cryptocurrency and Decentralized Finance (DeFi) news.

Dynamic Engineering solutions (DES)
Technical & Professional Development Trainee
September 2025 - November 2025 (3 months)
Mymensingh Sadar Upazila, Bangladesh

Gained crucial practical experience in a local engineering environment, applying theoretical knowledge from my Diploma in Electrical Technology to real-world projects.

Manarah Publication

Sales Lead
September 2024 - December 2024 (4 months)
Mymensingh Sadar Upazila, Bangladesh

Rapidly promoted from initial customer engagement to lead a high-performing Social Media & Sales Team (4 associates).
