PROFILE

I am a hard working, driven and reliable individual who takes pride in completing work to a high standard. I am always willing to go the extra mile to achieve the best results. I am approachable, work well with others and can easily build positive relationships. I thrive under pressure and remain focused under challenging circumstances.

EDUCATION, QUALIFICATION & SKILLS

University Of Canterbury – Mechatronics Engineering	2026
Papanui Highschool - NCEA Level 3 - Merit Endorsed	2022

WORK EXPERIENCE

Customer Service & Online Orders | Bunnings Warehouse Sep 2020 to Present

My role at Bunnings is very fast paced. Working customer service requires lots of problem solving on the spot as to not leave customers waiting. One of my roles was planning the 'break sheet' to ensure front end staff breaks were coordinated and managed around peak times. For online orders we have tight margins and timeframes to operate within. This ensures orders are picked and packed, and either located for collection or booked for on-time delivery.

Director & Rhythm Guitarist | Red Weekend Jan 2019 to Present

I was one of the founders of Christchurch band Red Weekend. In our time together, we have obtained several industry achievements. These include, winning Dig the Gig UC Final, playing the Go Live festival, releasing an EP and even opening for New Zealand music legends The Feelers at their Christchurch show in 2024.

Sound & Lighting Engineer | Papanui Highschool Jan 2019 to Sep 2022

I was the line of call for any sound and lighting needs from any of the school staff. This included event days, assemblies and even live streams for various occasions during Covid. I also made myself known in the drama/music department and was the main sound engineer for all three of our large school musicals.

Sound & Lighting Engineer | LOOP (Papanui Youth Development) Mar 2019 to Sep 2021

I volunteered to do sound and lighting for many events at the LOOP youth centre, including their band nights. These provided an opportunity for high school bands to get a feel for playing live. I also helped to plan and run events with LOOP, including the Jellie Park pool party alongside Christchurch City Council.

Martial Arts Instructor | Proactive Martial Arts (Papanui) Jun 2017 to Oct 2021

I volunteered as an instructor teaching 3 classes a day twice a week, achieving an instructor rank.

Skills

- Python
- SolidWorks
- Soldering & Circuit Fabrication (KiCad)
- C/C++ programming
- VHDL programming
- Audio engineering (Live & Studio)

ADDITIONAL INFORMATION

Zen Do Kai Martial Arts | Proactive Martial Arts

Jun 2009 to Present

I have been at proactive Martial Arts since I was 5 years old. As of 2025, I have been training for 16 years and have achieved my 2nd degree black belt.

Head Student | Papanui High School

Feb 2022 to Dec 2022

In my final year at Papanui High School, I was appointed to the head student team. I attended weekly meetings to discuss upcoming events, give student voice on ideas and school “upgrades and updates”, as well as leading school assemblies and formal events.

INTERESTS

- Music – (Producing and performing)
- Music Technologies – (Audio engineering, audio and music gear, guitars)
- Martial Arts – (Zen Do Kai)
- Cars & Motorsport
